### Memorial donation information

In Daniel's memory, we have set up a memorial fund to benefit the MIT Debate Club, the group that Daniel spent most of his free time with. With the assistance of the fund, the club members will be able to travel to more tournaments, and will be able to send more team members to tournaments. When they travel, they will be able to stay in hotel rooms instead of sleeping on the floor in dorm lounges, and will be able to eat at places other than McDonald's.

Your donations to the Dan Barclay 2007 Memorial Debate Fund are tax-deductible. Many companies match gifts to colleges - please check on the MIT gift-matching website <http://giving.mit.edu/ways/matching.html> to see if yours matches. If it does, your gift counts double. Each company does gift-matching a little differently, so if your company matches, contact your Human Resources department to find out how to match **before** sending in your donation.

#### **Online donation**

MIT welcomes on-line donations by credit card. Visit <http://giving.mit.edu>, search on fund number 3647474, or search on keywords "Barclay" or "debate".

### Mourner's Kaddish

Let God's name be made great and holy in the world that was created as God willed. May God complete the holy realm in your own lifetime, in your days, and in the days of all the house of Israel, quickly and soon. And say: Amen.

May God's great name be blessed, forever and as long as worlds endure.

May it be blessed, and praised, and glorified, and held in honor, viewed with awe, embellished, and revered; and may the blessed name of holiness be hailed, though it be higher by far than all the blessings, songs, praises, and consolations that we utter in this world. And say: Amen.

May Heaven grant a universal peace, and life for us, and for all Israel. And say: Amen.

May the one who creates harmony above, make peace for us and for all Israel, and for all who dwell on earth. And say: Amen.

May the Source of peace send peace to all who mourn, and comfort to all who are bereaved. Amen.
